April 2024

## Last Month in Southport

Here are some highlights from April in Southport:

- April 1<sup>st</sup>, 2024 marked 100 years since the Royal Canadian Air Force (RCAF) was officially established. The RCAF holds incredible importance for Southport, as both an organization and a site, with its origins dating back to the 1940s as Canadian Forces Base Portage la Prairie. Without the RCAF, Southport as it stands today would not exist. Their strong and consistent presence in Southport continues with 3 Canadian Forces Training School (3CFFTS), dedicated to training military students in the community. Celebrations will continue at the 2024 Manitoba Airshow, hosted by Southport, this Summer.
- 10 new Assiniboine Community College (ACC) graduates celebrated their graduation at the Central Plains RecPlex on April 19<sup>th</sup> in Southport. The graduates are a part of the first intake of a new program that is a partnership between ACC and Manitoba First Nations Police Service (MFNPS). Southport is proud to have hosted the new program and congratulates all the new recruits.
- Members of the Southport team attended multiple Portage Chamber of Commerce and Manitoba Chamber of Commerce events throughout the month, including the MBiz Breakfast Series featuring the Minister of Finance, the State of the City, RM and School Division Dinner, and the Manitoba Chambers Economic Summit. These events were great networking opportunities where we could promote the Manitoba Airshow and connect with business leaders from across the Province.
- Southport has welcomed new Summer staff to the team. Brooklyn Buhler, Facilities Maintenance, Summer Student, Shae-Lynn Buhler, Clubhouse Attendant, Ranae Cabak, Marketing Assistant, Summer Student, Logan Calder, Facilities Maintenance, Summer Student, Kade Friesen, Golf Course Maintenance Worker, Magnus Linde, Golf Course Maintenance Worker and Erin Morisseau, Clubhouse Attendant.
